

“ORTHODOXY IN CARVILLE” BUS TOUR

DESCRIPTION: This special bus tour will take participants from Holy Trinity Cathedral to the National Hansen’s Disease (leprosy) Museum in Carville, Louisiana, dedicated to honoring the leprosy patients and the people who cared for them. Father George will conduct a memorial service in the cemetery of the Carville Leprosarium for the Greek Orthodox who lived, died and were buried there. According to existing documentation, the Holy Trinity community visited their quarantined Orthodox brothers and sisters from the early 1920s until patients were no longer confined for treatment.
