## President's Message

Dear Ladies,

I am honored to have been your president for the past six years. As I leave the office, I express extreme gratitude to our chapter officers and all our members for your talent, your time and your treasure. Working together you have offered Aid to Greece, nourishment to the hungry, assistance to the needy, meals and woven sleeping mats to the homeless, disaster assistance, baby kits for the young in foreign countries, dresses for the girls in Haiti, school supplies and back packs to deserving students, support to National and Diocese commitments and most importantly, service to our church. Our chapter history is written in not only in our minutes, but in the faces of our members pictured above and engraved in our members of the past. It is fitting that I thank all the presidents who came before me. They established our chapter's foundation and have set the stage for our future.

Sincerely,

*Connie Tiliakos*
